

# 6<sup>th</sup> Grade Math Class

Mrs. Laura Atkinson

(385) 646-4816 or [lmatson@graniteschools.org](mailto:lmatson@graniteschools.org)

I am looking forward to a great math year with your student. There is a lot of information that your student will learn as they prepare for 7<sup>th</sup> grade.

Our school district uses the Go Math program by Houghton Mifflin Harcourt. This program follows the Utah Common Core State Standards. We will be covering the following subjects.

Chapter 1	The number system: Whole numbers & decimals
Chapter 2	The number system: Fractions
Chapter 3	The number systems: Rational numbers
Chapter 4	Ratios & proportional relationships: Ratios and rates
Chapter 5	Ratios & proportional relationships: Percents
Chapter 6	Ratios & proportional relationships: Units of measure
Chapter 7	Algebra: Expressions
Chapter 8	Algebra: Equations and inequalities
Chapter 9	Algebra: Relationships between variables
Chapter 10	Geometry: Area
Chapter 11	Geometry: Surface area & volume
Chapter 12	Statistics & Probability: Data displays & measures of center
Chapter 13	Statistics & Probability: Variability & data distributions

## Go Math

Students can access their math books from home over the internet at [www.thinkcentral.com](http://www.thinkcentral.com). They will need to enter their login and password to access the books. This information will be sent home.

## Daily Assignments

These are due at the beginning of class. Students may earn 5 extra credit points to their score if their work is looked over by a parent for accuracy, then signed by the parent at the top.

## Tests

Scores below 70% on paper and pencil tests can be retaken once. It is the student's responsibility to ask to retake the test within the next week during a lunch period. I will take the higher of the two tests taken.

We will be working hard as a class to understand and apply these new concepts. I encourage all my students to give their best effort so they can feel successful.

Please sign and return the bottom portion indicating that you have received a copy of Mrs. Atkinson's 6<sup>th</sup> grade mathematics disclosure form.
